

Monday, November 7, 2022 – CareValidate, Inc. announced today that it has achieved SOC 2 Type I compliance in accordance with American Institute of Certified Public Accountants (AICPA) standards for SOC for Service Organizations also known as SSAE 18. Achieving this standard with an unqualified opinion serves as third-party industry validation that CareValidate, Inc. provides enterprise-level security for customer’s data secured in the CareValidate, Inc. System.

CareValidate, Inc. provides a cloud-based community management and virtual event platform to customers throughout the United States.

CareValidate, Inc. was audited by [Prescient Assurance](#) , a leader in security and compliance attestation for B2B, SAAS companies worldwide. Prescient Assurance is a registered public accounting in the US and Canada and provides risk management and assurance services which includes but is not limited to SOC 2, PCI, ISO, NIST, GDPR, CCPA, HIPAA, and CSA STAR. For more information about Prescient Assurance, you may reach out them at [info@prescientassurance.com](mailto:info@prescientassurance.com).

An unqualified opinion on a SOC 2 Type I audit report demonstrates to CareValidate, Inc.’s current and future customers that they manage their data with the highest standard of security and compliance.
